ABOUT ME

I am a certified makeup artist with professional training and experience freelancing in the industry. I have a flexible schedule and a great attitude towards my passion for makeup. I work very hard and put my all into everything I do. I work well with others in a team setting, as well as independently. I am highly motivated and consistently strive to meet the personal and professional goals I set for myself. I have excellent time management skills and always meet deadlines.

SKILLS

- Proficient makeup application on all skin types and colours
